CHRISTMAS COLLECTION

Every Canadian diamond represents a unique bond between the pristine lands of the Great White North and you. These Canadian diamonds have finally traveled to the palm of your hand. Never before has the beauty and splendor of a Canadian diamond been so within our grasp.

Choose “I am Canadian” an eternal bond with this great nation.

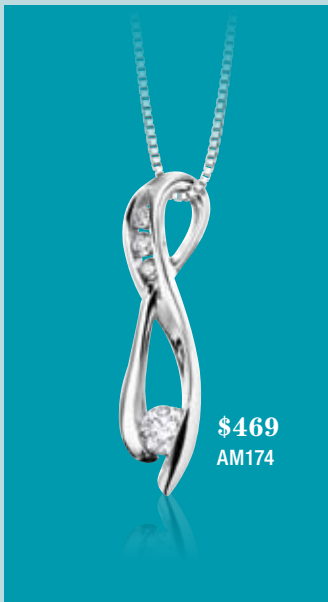

For your guarantee of Canadian origin, look for the Canadian Certified Gold insignia  stamped on the product as well as the accompanying tag. The fine gold used in the fabrication of Canadian Certified Gold product is certified as .9999 pure Canadian Gold. An entirely original system of tracking the gold during the mining and refining process was created to achieve this. This innovative technique allowed the fine gold to be refined to a .9999 purity while still ensuring complete Canadian origin.
